Introduction

Tewitfield Marina is a purpose built hamlet in Carnforth with its own luxury holiday accommodation complex. Situated on the Lancashire and Cumbria border alongside Tewitfield Locks on the Lancaster Canal we provide our guests with the perfect place to stay with easy access to some of Britain's best loved countryside, with both the Lake District and the Yorkshire Dales being less than half an hours drive away. Also close by is the historic city of Lancaster with its castles, museums and parks to visit, and the seaside town of Morecambe, famous for its breathtaking sunsets across the bay and over the Lakeland Fells, as well as the beautiful villages of Arnside and Silverdale within an Area of Outstanding Natural Beauty. Tewitfield's location makes it ideal for those who wish to take a more active holiday with nearby facilities offering a host of sporting pursuits including bird watching at the nearby Leighton Moss RSPB Nature Reserve, fishing or a peaceful round of golf to a more exhilarating quad bike ride! Within the immediate vicinity there is a welcoming country pub, The Longlands, serving real ale with a varied food menu. Just across the road is Greenlands Farm Village where families can enjoy the animals on the open farm, visit the farm shop selling crafts and local produce and sample fresh homemade food in the café/restaurant.
